

Turn mountains of data into actionable answers.

You don't need more data, you need more answers – the right answers that help you prevent FWA before it starts. As your trusted partner and technology solution, we give you the power and confidence to accurately prevent, recover and simulate FWA in a matter of days. It's time to say good-bye to your payment integrity challenges and hello to the actionable answers you need, finally.

- **Get actionable answers within days with our rapid set-up**
- **Achieve prevention, go beyond recovery and simulate portfolio risk**
- **Save time with the only solution ready to ingest any and all data, regardless of type or source**
- **See more accurate insights with the lowest false positive rate in the industry**
- **Keep working the way you work with seamlessly integrated modules and workflows**
- **Take action with role-based, easy to use dashboards**

Go beyond recovery to prevention and simulation within days.

The Alivia Analytics Healthcare Payment Integrity Platform™ is built on the most advanced technology, including AI and machine learning, and delivers the only seamless, full-suite solution in the industry. The result? Never-before-possible accuracy and answers to give you the knowledge you need to prevent, recover and forecast with unparalleled accuracy.

Achieve Healthcare Payment Integrity with Powerful Technology

Actionable answers. Lowest false positive rate. Up and running in days.

Healthcare Payment Integrity Continuum

Whether your goal is to prevent or recover – Alivia's platform seamlessly integrates with your existing systems and processes across the entire payment continuum.

You're in good company.

Meet a few of our customers. We're happy to provide references at any time.

“ Alivia Analytics helped bring our fraud investigators into the future. With the Alivia user-friendly dashboards, we have seen a huge improvement in productivity and are able to gain insight from our dataset with ease. The expertise and support from the Alivia team has been excellent and you can tell they really care about our success.”

Suzanne Solven - VP of Audit and Investigations, Pacific Blue Cross

ABOUT ALIVIA ANALYTICS

Seamlessly integrated modules.

Get up and running in days with the only seamlessly integrated software platform in the industry. We built every module to work the way you work and deliver the answers you need when you need them. We turn mountains of data into actionable answers, fast, so you can go beyond recovery to prevention and simulation in days, not months.

Purpose-built to ingest massive amounts of data.

Our software platform is purpose-built to ingest everything and anything – literally. We do the heavy lifting so you don't have to. By taking every source of healthcare payment data within your organization—regardless of format or structure—our robust platform puts you one step ahead of preventing FWA.

Get actionable answers fast.

Alivia Analytics is the only healthcare payment integrity platform built to save you time. The Alivia Analytics Healthcare Payment Integrity Platform™ does the heavy-lifting every step of the way, so you can get more out of your FWA program. Because we're purpose-built to solve your payment integrity problems, you benefit from unprecedented speed, accuracy and answers.
